Computerized Needle Feed Lockstitch Machine

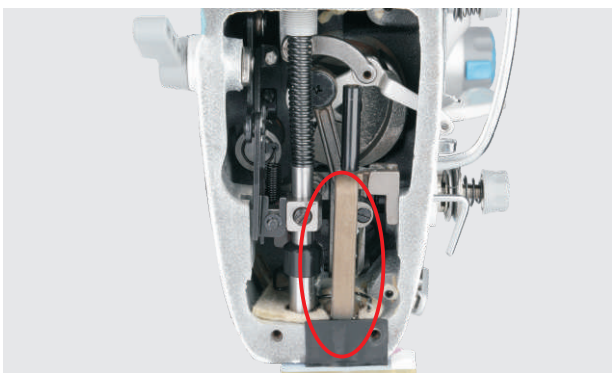

A6F

A6F

Item: Computerized Needle Feed Lockstitch Machine
Features: Full-automatic; Needle Feed; Short Thread Tail; Semi-dry

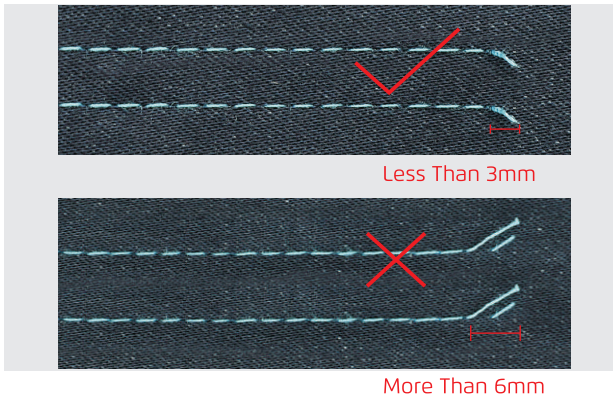

Germany design, Unique vision, High quality

1 Feed Smoothly, Avoid Of Layers Offset

Specialized feeding keeps fabric smooth without wrinkles and layers offset; applicable for yarn, chiffon and silk fabrics.

2 Beautiful Stitches Without Short Thread Tail

Beautiful stitches and no need to cut remaining thread. End sewing remaining thread is short within 3mm, auto lockstitch avoid loose stitch.

4 Large Space, Wide Range Of Application

The operation space can reach as large as 300MM, which makes fabric feed more smoothly, applicable for down jacket, shirts and suits.

3 Sealed Oil Pan, No Oil, No Trouble

Sealed oil pan, no dust into the oil, perfect lubrication, clean and durable.

5 Easy to learn, Easy to use

Easy to understand, no need to remember parameters.
